- 12 fat quarters per student for swapping, 2 in each color category (red, orange, yellow, green, blue, purple)
- Favorite fabrics for adding to palettes
- Standard sewing tools including cutting tools, tracing tools

## FOLK FLOWER CLASS

Techniques taught:

- Fabric selection
- Tracing, Cutting, Clipping, pressing & pinning preparation
- Machine reverse applique
- Compositional planning and layout

Duration recommendation:

1 day class- 6 hours

Materials:

- Various fabrics ideal for fussy cutting flower heads, fat quarters or at least 8x8" scraps
- Various fabrics ideal for leaves, fat quarters or at least 4x7" scraps
- Various fabrics for stems, could be pre cut into 1" strips (lengths anything 16" or longer)
- Fabrics for background, anything that would allow the above fabrics to shine. Consider that the original version of block is a finished 12", so starting with about 13x13" is ideal (multiplied by total blocks desired)
- Standard sewing tools including cutting tools, tracing tools
